## **Reallocation of Renewal Project Funds<sup>1</sup>**

### **Reallocation of renewal project funds may occur in two ways:**

- 1.) Voluntary Reallocation - Agencies operation existing renewal projects may voluntarily reduce a portion of the project's CoC funding or eliminate CoC funding of a project. Through a voluntary reallocation of renewal project funds, the agency may apply for new projects that have been designated as higher priority programs.
- 2.) Involuntary Reallocation – An involuntary reallocation will occur when a renewal project's application is rejected by the Polk County Continuum of Care's Grant Committee and affirmed by a majority vote of the board. A project may be rejected due to poor project or system performance as well as for failure to meet threshold for receiving all referrals from the continuum's centralized intake.

### **Use of Reallocated Funds:**

The balance of funds from either voluntary or involuntary reallocation of funds must be used for new projects per guidelines listed in HUD's 2019 Continuum of Care Program NOFA:

- 1.) Rapid Rehousing (RRH) serving homeless individuals and families, including unaccompanied youth up to age 24.
- 2.) Permanent Supportive Housing (PSH)
  - a.) 100% of the beds are dedicated for adults, youth or families experiencing chronic homelessness.
  - b.) Dedicated PLUS projects as defined in Section III.C.2.g.of the 2019 NOFA<sup>2</sup>.
- 3.) Joint TH and PH-RRH to serve homeless individuals and families, including individuals or families fleeing or attempting to flee domestic violence, dating violence, sexual assault, or stalking who meet the following criteria:
  - (a) residing in a place not meant for human habitation;
  - (b) residing in an emergency shelter;
  - (c) persons meeting the criteria of paragraph (4) of the definition of homeless, including persons fleeing or attempting to flee domestic violence situations;
  - (d) residing in a transitional housing project that is being eliminated; or
  - (e) residing in transitional housing funded by a Joint TH and PH-RRH component project (see Section III.C.2.n. of the 2019 NOFA); or
  - (f) receiving services through a VA-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

<sup>1</sup> Per Section III.C.2.s. of the 2019 NOFA, "CoCs may only reallocate eligible renewal projects that have been previously renewed under the CoC Program."

<sup>2</sup> The PCCoC is not accepting applications for the Dedicated PLUS project type in 2019.
